The deponents will be deposed on all matters calculated to lead to the discovery of admissible evidence under the following issues:

To determine, in the matter of the Boston Police Department, whether Nextel is obligated to pay the City of Boston for inventory-tracking and management software from MCM Technology, LLC, and, if so, the amount of such payment, and

To determine, in the matter of the City of Boston's 800 MHz Trunking and Transportation system, whether Nextel is obligated to pay the City of Boston for inventory-tracking and management software from MCM Technology, LLC, and, if so, the amount of such payment.

¹ Section 1.315 of the Commission's Rules requires parties desiring to take the deposition of any person upon oral examination to provide the name and address of each person to be examined, if known. Boston's responses to Nextel's First Set of Interrogatories in this matter did not include an address for Robin Bevilacqua, so Nextel is unable to include that address. Rather, Boston's responses indicated that Ms. Bevilacqua is no longer employed by MCM. If Boston, after consulting with MCM, does not know the address of Ms. Bevilacqua, it should so state.

Respectfully Submitted,

NEXTEL COMMUNICATIONS, INC.
